The Administrator should correspond directly with Govt. in all rehabilitation matters. On the transfer of

of the rehabilitation work in the Thana District to the Administrator, Ulhasnagar Township, the Collector of Thana should effect retrenchment of the rehabilitation staff in his office.

7) All the posts, both gazetted and non-gazetted in existence in the Directorate prior to the 1st August, 1952, should be abolished with effect from that date.

2. These orders do not effect the Women's section of the Directorate, which will continue to function under the direct administrative control of the rehabilitation Department on the closure of the Directorate.

3. The expenditure on account of th upgrading of the post of Administrator, Ulhasnagar township should be debited to "57-Miscellaneous-M-Expenditure on displaced persons-D-Relief-D-1-Establishment" and should bex met from the grants sanctioned or to be sanctioned thereunder during the current year. Submitted with ref. to the office note dated the 14th June 1952.

2. Please see :

i) F.D. office note dated the 10th July 52.

ii) F.D. office note dated the 14th July 52.

iii) Secy. F.D.'s note dated the 30th August 1952 intimating acceptance by the F.P.C. of the proposals made by the F.D.

3 It will be seen from the F.D. note that the staff proposed by the Dir. of rehabilitation in consultation with the Collr. of Bombay, has been considerably reduced by the F.D. The statement on page 122 ante indicates the staff proposed by this deptt. and the staff as now agreed to by the F.D. The following posts have not been agreed to by the F.D

2. Loan inspectors	Scale 150-7-185
2. Senior Clerks.	Scale 120-8-200
3. Junior Clerks.	Scale 75-5-140
1. Peon	Scale 35-1/2-40

The reduction is substantial and has been made mainly on the ground that funds for grant of urban loans are not now available on the same scale as in the past. While it is no doubt true that the Govt. of India have considerably reduced the allotments for urban loans, the work in Greater Bombay does not pertain to the disbursement of loans only. The loan work forms only a part of the total work the full details of which have been given by the Collr. of B'bay in his letter No.3/Collectorate Establishment, dated the 8th August 1952. There are several matters such as maintenance allowance, war time evacuees, audit reports, enquiries, relating to financial standing of parents of

displaced

displaced students approaching Govt. for equal assistance, etc., which have to be looked after by the staff of the Collr. of Bombay. As the main case has not yet been received back from F.D., the staff agreed to by that Deptt. was appointed under the Collr. who has now stated that the staff is wholly inadequate and that if the full staff is not sanctioned, there will be confusion and undue delay in the disposal of work. The Collr. has pressed for acceptance of the original proposals excepting the following posts, after consulting Shri Yardi, former Director of rehabilitation, who has fully endorsed the views of the Collr. of Bombay vide shri Yardi's note dated the 9th August 52.

1. Loan Inspector
1 Sr. Clerk.
1 Jr. Clerk.

The Collr. considers the rest of the staff as irreducible minimum, and it seems essential to sanction the staff asked for by the Collr. As a matter of fact, the proposal for sanctioning the staff, under the Collr. of Bombay, should have been considered from the point of view of the overall economy achieved by the closure of the Directorate and not as if the proposed staff was being newly appointed for some new type of work resulting in heavy extra expr. to Govt. It is clear that the Collr. has made his proposals after full consideration of the amount of work involved and it does not seem possible to furter reduce the staff proposed by him at the very beginning, at any rate, except at the cost of loss of efficient and quick disposal of work in Greater Bombay which in turn will affect the interest

of Govt.

1 Loan Inspector
1 Sr. Clerk
2 Jr. Clerks
1 Peon.

The following remarks seem called for.

If the whole of the staff (specified at 'A' of the Dir.'s letter) originally proposed by the Dir. was not agreed to, it was because of the remarks of the Dir. himself who had made it clear in no uncertain terms that if meagre amounts as was then placed at his disposal for the grant of loans viz. Rs.25,000 was placed at the disposal of the Collr. of Bombay (on transfer of the Rehabilitation) work to him) it would suffice if only a mamlatdar (instead of a Dy. Collr. proposed) was appointed and ancillary staff, specified at 'A' of his letter dt. 5.6.52, reduced proportionately - which, however, was done. The Dir. had, then, also expressed the view that loan work forms the major portion of the work to be transferred to the Collr. of Bombay. But the R.H.D. now contends, despite the same amount of Rs.25,000 being placed at the disposal of the Collr. too, that loan work forms only a part of the total work which also comprises maintenance allowance, war-time evacuees, audit reports, enquiries relating to financial standing of parents of displaced students approaching Govt. for educational assistance etc. which have to be looked after by the staff of the Collr. of Bombay - vide also the Collr.'s letter dt- 8.8.52. The O.S.D. R.H.D. (Shri M.R.Yardi) while subscribing to the above view considers the staff agreed to by this Deptt. as totally inadequate to cope with the duties

entrusted to it, and adds that if the full staff as now proposed at 'X' above in addition to staff already agreed to by the Deptt. is not sanctioned, there will be confusion and undue delay in the disposal of work - vide his endst. dt. 9.8.52. In view of the circumstances now explained by the Collr. and the O.S.D.(Reh) it appears that the needs of the case would be adequately, if, in addition to what has been already been agreed to by this Deptt., only the following posts are sanctioned

1 Loan Inspector 1 Senior Clerk 1 Clerk-cum-Cashier	in the sanctioned Scales.	'Y'

There is no sufficient justification for sanctioning the remaining posts of one Jr.Clerk and one peon in addition to the above staff; S.D. may not therefore agree to them.

The posts referred to at 'Y' above may be created for the period ending 28.2.53 for the present, the position being reviewed in good time, if further continuance is considered necessary.

Cost on account of the creation of addl. posts amounts to Rs.2,450/- during the current financial year on the assumption that the staff will be appointed with effect from 1.10.52, the annual average being Rs.7,572/-.

Id/-

The papers may be submitted to the E.P.C. with reference to its decision dated 30-8-52 at p.121 ante. Presumably, the extra cost on this account will be met, by reappropriation, from the sanctioned grants of

grants of the C.P.W.D. under '57- 'Misc.' in the current year. In that case, it will have to be brought to the notice of the L.A. by means of a token supplementary demand in its next session along with the draft Appropriation to get passed suite. The W.H.D may be informed accordingly.

Sd.

D.P.C. may agree to the additional staff as proposed on the marginal previous page.

Subject:- Conveyance allowance - Special allowance etc. - Sanction of - Request for increase in No. of Class IV-servants.

Reference correspondence resting with Government Resolution, rehabilitation deptt. No. R.152/33791-D dated the 29.9.52 sanctioning staff for rehabilitation branch of my office.

2. It has been noticed that Govt. have not been pleased to sanction conveyance allowance to the posts of Loan Inspectors. The Inspectors have to go all over Bombay and spend money on their conveyance and to deny them allowance for this purpose would not be proper. The posts of Loan Inspectors carried conveyance allowance of Rs.20/- p.m. in the Directorate of Rehabilitation and it is not understood why the same has been withdrawn while sanctioning the posts under me. Ommission is perhaps due to oversight and hence it is requested that Govt. may please be moved to sanction conveyance allowance of Rs. 20 p.m. to each of the two Loan Inspectors with effect from the date of their appointment under me.

3. No allowance has also been sanctioned by Govt. to the posts of a clerk.cum-cashier who is required to handle cash and for which a security will have to be furnished. The incumbent has been asked to furnish secutity. He may therefore be sanctioned Special Allowance of Rs.20 p.m. with effect from the date of his appointment. I learn this allowance was paid at the time of the Directorate.

4. Incidently Govt resolution, Finance department

No.7983/33 dated 20.5.52 provides an allotment of one peon to a Gazetted officer and one for every eight persons or fraction of eight persons for office containing sixteen persons or less on clerical establishment. The Rehabilitation Mamlatdar and his office are therefore entitled to three Peons - one for the rehabilitation Mamlatdar and two for clerical establishment which has a total strength of eleven. The Rehabilitation Branch(including the rehabilitation Mamlatdar) is thus entitled to three peons whereas Govt have been pleased to sanction only two. I would therefore request Govt to accord sanction for the post of one additional peon on usual pay and allowances to the Rehabilitation branch. Although entitled, I would not have made the proposal for additional peon owing to Govt.'s all round economy drive but I am constrained to do so as by the very nature of work; Many displaced persons call at this office throughout the day and one peon is constantly required to sit at the door of the office to control and guide them. Besides one peon is required to go out many times during the day to the Reserve Bank, Accountant General's office, Collector's office, Secretariat etc, and a major portion of the day he is busy in out door work. No peon is thus left to attend to Rehabilitation Mamlatdar and also to do the office work. The necessity of a peon is badly felt and I request Govt. to sanction the post which is admissible under Govt. Resolution referred to above.

I summarise my proposals as under:-

a) Conveyance allowance of Rs.20 p.m. to each of the two posts of Loan Inspectors with effect from the date of their appointment under me;

b) Special allowance of Rs.20 p.m. to the post of a clerk-cum-cashier with effect from the date of appointment.

c) Sanction for the post of a peon inthe scale of Rs. 35 - 1/2 - 40 + D.A. + H.R. with immediate effect.

Early orders are requested.

Submitted with reference to the letter, dated the 3rd November, 1952 from the Collector of Bombay.

As regards grant of C.A. of Rs.30/- p.m. to the post of Loan Inspector in the office of the Collr. of Bombay, it may be stated that the C.A. was not included in the scale of the post of Loan Inspector.

It may, however, be stated that the post of the Loan Inspector of the then Directorate of Rehabilitation's office was granted the C.A. of Rs.30/- p.m. to the post of the Loan Inspector, which was to be created, in the Collector's office. The C.A. may therefore be granted to the post of Loan Inspector, in the office of the Collr. of Bombay with the retrospective effect after w.e.f. to the F.H.

Similarly special pay or Rs.30/- p.m. may also be sanctioned to the clerk, who is required to do the work of cashier, in the Collector's office.

As per the proposal regarding creation of an additional post of a peon, in the office of the Collector of Bombay, Rehabilitation Br., Bombay, it may be stated that the sanction has been accorded to the following non-gazetted staff for its further continuance upto end inclusive of 28th February 1953 in the office of the Coll. of Bombay:-

Designation	No. of posts.
Head clerk.	1
Movement Officer	1
Loan Accountant	1
Loan Inspector	1

Senior Clerk	1
Junior Clerk	2
Typist	1
Peon	2

A post of a Translator for looking after the rehabilitation work, has also been sanctioned.

In the circumstances, fully explained in the letter from the Collector of Bombay(particularly at 'B') G.H.Q. may agree to the Collector's proposal for creation of an additional 1 post of a peon, on the usual scale of pay, in his office(at Cooperage) after G.O.I. to the F.D.
